The following is information that can be found on every delivery ticket used when providing concrete to a job. Please review this information and sign below confirming that you have read and agree to the following:

Certificate of Quality

1. The concrete is furnished according to the Purchaser's specifications and water is added at the job site only at the purchaser's request.
2. Unloading time allowed is six minutes per cubic yard. Excess time is subject to charge.
3. Buyer acknowledges that concrete requires proper and adequate handling, placing, finishing, curing and protection after delivery and buyer agrees that the responsibility of Grundy County Redi-Mix Co., ceases immediately upon delivery.
4. Purchaser agrees to pay for towing service and repairs to the producer's equipment when unsatisfactory roads exist on the construction site.

The Purchaser agrees to provide suitable roadways or approaches to point of delivery beyond the curb line and on other than paved streets. We reserve the right to stop deliveries if the roadways or approaches are unsatisfactory to us. If the Purchaser requests delivery beyond the curb line or on other paved streets, Purchaser releases Grundy Redi-Mix, River Redi- Mix, Central Illinois Conveying, and RTD Transport from liability for and Purchaser will hold Grundy Redi-Mix, River Redi- Mix, Central Illinois Conveying, and RTD Transport harmless from and indemnify Grundy Redi-Mix, River Redi- Mix, Central Illinois Conveying, and RTD Transport against any liable damage to the curb, sidewalk or any property of contractor or owner or injury to any person whatsoever. If additional water or any other substances are added to the concrete at the job site by the Purchaser, or at his request, Grundy Redi-Mix, River Redi- Mix, Central Illinois Conveying, and RTD Transport is no longer responsible for slump, strength or quality of the concrete.

Purchaser or his authorized representative receipts for this load of concrete, confirms time of arrival, begins unload time, and has requested the driver to add water indicated.

This concrete contains correct water contents for strength indicated. We do not assume responsibility for test strength when water has been added at customer's request.

Warning: This product that you have purchased and are using may be harmful to your health, and physical well-being if not handled properly. If you should get any of this product in your eyes or in an open cut, wash the affected area at once. You may wish to consult a physician. You should wear proper protection clothing to prevent prolonged skin contact with wet concrete. A skin burn requiring medical attention could result.

Deicing Agents of any type should never be used on concrete unless a proper sealer has been applied to that concrete. Deicers could cause spalling or peeling of the concrete surfaces and other damages.

Water added on the surface of the concrete while finishing may also add to the spalling or peeling of the concrete surfaces.

Guarantees: Grundy Redi-Mix, River Redi- Mix, Central Illinois Conveying, and RTD Transport Guarantees that the materials used in the manufacturing of this concrete meet IDOT or ASTM Standards. We do not Guarantee the contractors workmanship or their placement. **Basis of Purchase:** It should be understood that the volume of hardened concrete may be, or appear to be, less than expected due to waste and spillage, over excavation, spreading forms, some loss of entrained air, or settlement of wet mixtures, none of which are the responsibility of the producer.

A monthly service charge of 1.5% (18% annual) will be added to accounts not paid in full 30 days from the end of the month in which delivery is made.

The undersigned assumes full responsibility to the terms and conditions herein and in event of collection, buyer agrees to pay attorney fees and court costs.
